

**DECLARATION AND POWER OF ATTORNEY**  
Patent Application Filed

Attorney's Docket Number  
F-726

Page 1 of 3

As below named inventors, we hereby declare that:

our residences, post office addresses and citizenships are as stated below next to our names;

we believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **CLOSED LOOP POSTAGE METERING SYSTEM** described and claimed in a patent application filed on July 18, 2003 and assigned the serial number 10/622,331 in the United States Patent And Trademark Office;

we have reviewed and understand the contents of the above-identified specification, including the claims;

we acknowledge our duty to disclose to the Patent and Trademark Office all information known to us to be material to the patentability of this application as defined in Title 37, Code of Federal Regulations, section 1.56; and

we do not know and do not believe the invention was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application, that the invention was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on any application filed by us or our legal representatives or assigns more than twelve months prior to this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by us or our legal representatives or assigns.

We hereby appoint practitioners at **Customer Number 00919** to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith;

Additionally, we hereby appoint the following attorneys and/or agents to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith;

Charles R. Malandra, Jr.  
Angelo N. Chaclos  
Charles R. Malandra, Jr.  
Robert E. Meyer

DECLARATION AND POWER OF ATTORNEY  
Patent Application Filed

Attorney's Docket Number  
F-726

Page 1 of 3

As below named inventors, we hereby declare that:

our residences, post office addresses and citizenships are as stated below next to our names;

we believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **CLOSED LOOP POSTAGE METERING SYSTEM** described and claimed in a patent application filed on July 18, 2003 and assigned the serial number 10/622,331 in the United States Patent And Trademark Office;

we have reviewed and understand the contents of the above-identified specification, including the claims;

we acknowledge our duty to disclose to the Patent and Trademark Office all information known to us to be material to the patentability of this application as defined in Title 37, Code of Federal Regulations, section 1.56; and

we do not know and do not believe the invention was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application, that the invention was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on any application filed by us or our legal representatives or assigns more than twelve months prior to this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by us or our legal representatives or assigns.

We hereby appoint practitioners at **Customer Number 00919** to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith;

Additionally, we hereby appoint the following attorneys and/or agents to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith;

Charles R. Malandra, Jr.  
Angelo N. Chaclas  
Charles R. Malandra, Jr.  
Robert E. Meyer
